Have you reached out to this individual? If not, I'm going to connect with him today.

Hi Raymond,
Thanks for reaching out to our office. I've cc'ed my colleague Paola Bassignana who is the best point of contact in our office for homelessness related issues. You can also reach Paola by calling our office at 213-473-7007.

“Hello CD7, My name is Raymond Mora and I currently work for The Shower of Hope. It is a non-profit that provides showers to the homeless population in 14 locations across Los Angeles. We are looking to continue expanding and serving communities all across Los Angeles. As Councilwoman Rodriguez recently launched the homeless family resource hub - we believe that our mission aligns with that of Councilwoman Rodriguez. Along with The Shower of Hope we have also established Safe Parking - which provides individuals that live in their cars a secure lot to stay in. Both are services that we are looking to expand into different Council Districts. We would like to invite anyone from your office that is interested to come visit our locations to

see how we operate. I would be more than happy to get on a phone call with someone and see if it is something that CD7 would like to consider in the near future. Thank you for your time. All the Best,
Raymond Mora”
